

Roosevelt Decorates for Diwali, Oct. 20

Using candles, brightly colored sands and jewels, residents at Roosevelt Care Center at Edison decorated for Diwali Oct. 20. In many cultures, the five-day spanning “festival of lights” marks the triumph of light over dark, as well as the Indian New Year. It is widely observed throughout the Hindu community, a large population of which reside right here in Central Jersey. The core of the 2014 festivities, carried out the world over on Oct. 23, would normally include fireworks, prayers, gifts, feasts, sweets and shopping.
